Overview

High-Efficiency Powder Packaging

This automatic vertical packaging machine is engineered for precision and reliability when handling various powder materials, including milk powder, spices, and solid drinks. It features an intuitive touchscreen interface for easy operation and monitoring, supported by a stable PLC control system. With advanced temperature control and secure sealing technology, it ensures consistent, high-quality packaging results for industrial applications.

Technical Specifications

Power Supply	220VAC / 50Hz
Power Consumption	3 KW
Air Pressure	0.65 MPa
Air Consumption	0.6 m3/min

Performance Metrics

Packing Speed

60 bags/min
Max Speed

Packing Range	2500 ml
---------------	---------

Packaging Dimensions

Bag Size Range

Dimension	Range
Length	60-300 mm
Width	100-200 mm

Max Film Width	420 mm
----------------	--------

Physical Attributes

Overall Dimensions	1388 (L) x 1116 (W) x 1536 (H) mm
Weight	500 Kg

Features

Control Components

PLC Control • Touchscreen Interface • Intelligent Temperature Controller

Sealing Patterns	Cross-striped, Straight, Twill, Mesh
