Product Overview

High-Performance Automotive LED Work Light

This high-intensity LED work light is engineered for demanding automotive and off-road applications. Featuring a ruggedized housing, it is built to withstand harsh environmental conditions while providing superior, wide-angle illumination. Its versatile design makes it an ideal auxiliary lighting solution for vehicles, heavy construction equipment, and agricultural machinery.

Technical Specifications

Width	66 mm
Height	81 mm
Depth	99 mm

Design & Construction

Mounting Options

- Adjustable mounting bracket
- Visible mounting hardware included

Housing Color	Black
