Product Overview

High-Performance Automotive Suspension Control Arm

This automotive suspension control arm is a critical component designed to connect the wheel hub to the vehicle's frame, facilitating smooth suspension movement and maintaining precise wheel alignment. Engineered for durability and stability, it features robust mounting points for bushings and ball joints to withstand road impacts. This part ensures enhanced vehicle safety, handling, and long-lasting performance for a wide range of compatible vehicle models.

Compatibility

Part Number Reference

Vehicle Model	Part Numbers
Peugeot 205	3520.51, 3520.50, 3521.33, 3521.34
Peugeot 206	3521.E7, 3520.H7
Peugeot 301	9807688680, 9807688580
Peugeot 306	3520H5, 3521E5, 3520H3, 3521E3, 3521A1, 352171, 352083, 352155
Citroen C2 / C3	3520L9, 3520P1

Compatible Vehicle Models

Peugeot 205, Peugeot 206, Peugeot 301, Peugeot 306, Citroen C2, Citroen C3
