

# Bear Head Sculpture on Marble Base

This decorative sculpture features two bear heads crafted from a textured, silver-colored material and mounted on a polished black marble base. The intricate detailing captures the texture of fur and facial features of the bears.

## Product Overview

### Artistic Bear Head Sculpture

This decorative sculpture features two intricately crafted bear heads, showcasing detailed fur textures and facial expressions. The piece is mounted on a polished black marble base, which includes subtle white veining for a sophisticated contrast. Designed as a standalone art piece, it combines artistic craftsmanship with a stable, elegant foundation suitable for high-end decor.
