

Blue and Yellow Children's Bicycle with Training Wheels

This bicycle is designed for young children who are learning to ride. It features training wheels, a front basket, and a rear rack.

Product Overview

Designed for Young Riders

This vibrant blue and yellow children's bicycle is engineered to provide a safe and enjoyable learning experience for new cyclists. It features essential stability aids like training wheels, alongside practical additions such as a front basket and rear rack for carrying small items. With its durable frame and protective chain guard, this bike combines safety with a fun, colorful aesthetic that appeals to children.
