

Blue Metal Exhaust Fan

This blue-colored electrical fan is designed for ventilation and exhaust purposes. The fan blades are designed to efficiently move air, providing effective ventilation and exhaust capabilities.

Overview

High-Efficiency Ventilation Solution

This blue metal exhaust fan is engineered to provide reliable air circulation and ventilation for various commercial and industrial environments. Featuring a robust square frame for secure mounting, the unit is designed for easy installation in walls or windows. Its four-blade propeller system ensures efficient airflow, making it an ideal choice for maintaining air quality in enclosed spaces.

Technical Specifications

Construction Material	Metal
Finish Color	Blue
Blade Count	4

Features

Key Features	Wall Mountable, Window Mountable, Durable Metal Construction, High-Efficiency Airflow
