Product Overview

Comprehensive overview of smart features, metrics, and technological specifications.

Smart Body Composition Scale

This portable smart scale utilizes advanced bioelectrical impedance analysis to provide comprehensive health insights. It connects seamlessly to the Tuya Smart Life app, tracking over 13 unique health indicators including body fat, muscle mass, and visceral fat. Designed for both accuracy and convenience, it features a tempered glass platform and an intuitive LED display.

Technical Specifications

Maximum Capacity

180 kg
Weight Limit

Scale Dimensions	280 x 280 x 22 mm
Graduation	100 g
Platform Material	5mm Tempered Glass
Power Requirements	3x AAA Batteries (Included)

Smart Features

Health Indicators

- Weight
- BMI
- Body Fat %
- Water Content %
- Muscle Mass
- KCAL
- Bone Mass
- Defatted Body Weight
- Visceral Fat Grade
- Protein
- Physical Age

Connectivity

Bluetooth, Tuya Smart Life App, iOS Compatible, Android Compatible

Operational Features

Built-in Functions

- Step-on technology
- Auto-off
- Overload indication
- Low battery indication
- Trend line tracking

Display

LED, 28mm digit height
