Product Overview

Smart Bluetooth Composition Scale

This portable smart scale combines high-precision weight measurement with advanced BIA biometric technology to track 13 key body health indicators. Integrated with the Tuya Smart Life ecosystem, it provides seamless Bluetooth connectivity for real-time tracking, historical trend analysis, and multi-user support. Designed with a sleek 280x280mm tempered glass platform and a clear red LED display, it ensures both aesthetic appeal and user safety for all family members.

Technical Specifications

Weight Capacity

180 kg

Max Capacity

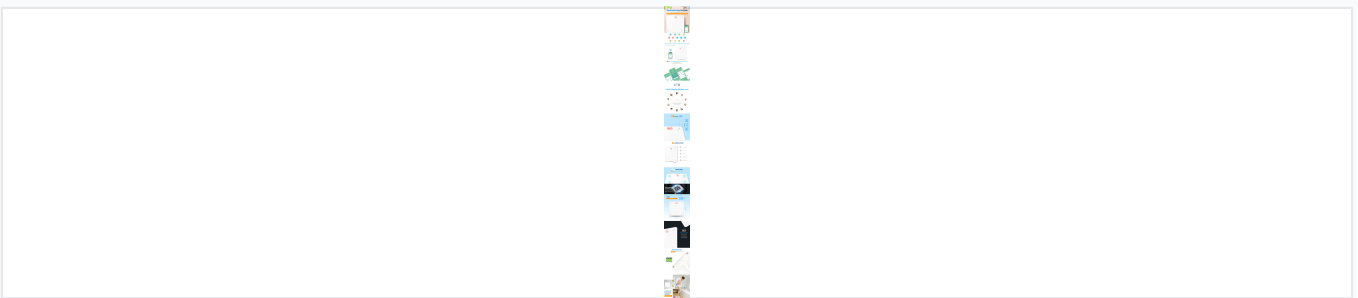

Platform Dimensions	280 x 280 x 22 mm
Sensor Type	4 precision strain gauge sensors
Display	Red LED display (28mm segment height)
Power Requirements	3x AAA batteries (included)

Body Metrics

Reported Health Metrics

- Weight
- BMI
- Body Fat %
- Water Content %
- Muscle Mass
- KCAL
- Bone Mass
- Defatted Body Weight
- Visceral Fat Grade
- Protein
- Physical Age

Smart Features

High-accuracy BIA technology with comprehensive app integration for family health tracking.

Software Integration

Tuya Smart Life App • Bluetooth Connectivity • iOS Compatible • Android Compatible

Key Convenience Functions

Auto-on, Auto-off, Overload Indication, Low Battery Indication
