

Bottom Loading Hot and Cold Water Dispenser

This water dispenser features a hidden bottle design for a modern look and accommodates 3 or 5 gallon bottles in the bottom cabinet. It offers both hot and cold water options and includes a child safety lock on the hot water tap.

Product Overview

Modern Bottom-Loading Convenience

This stainless steel water dispenser features a sleek, hidden bottle design that keeps your space looking clean and modern. Designed to accommodate standard 3 or 5-gallon water bottles within a convenient bottom cabinet, it eliminates the need for heavy lifting. With both hot and cold water options available, it is a versatile solution for any office or home environment.
