

Brush Cutter

This is a brush cutter used for trimming weeds and grass. It is ideal for garden maintenance.

Product Overview

Professional Brush Cutter

This high-performance brush cutter is designed for efficient vegetation management and landscaping tasks. Powered by a robust 40.2cc engine, it delivers reliable cutting power suitable for demanding outdoor environments. With its ergonomic design and balanced weight, this tool ensures operator comfort and precision during extended use.

Technical Specifications

Maximum Power

1.45 kW
Power

7000 r/min
Rated Speed

Engine Model	IE40F-6
Displacement	40.2 cc
Carburetor Type	Float

Cutting Performance

Blade Length	280 mm
--------------	--------

Operational Details

Fuel Tank Capacity	0.95 L
--------------------	--------

Logistics and Packaging

Item Number
CG411

Weight Specifications

Type	Weight
Net Weight (N.W.)	8.0 kg
Gross Weight (G.W.)	9.5 kg

Packing Dimensions

- Main Unit: 310 x 300 x 300 mm
- Cutting Attachment: 1550 x 105 x 105 mm
