

Camera Lithium-Ion Rechargeable Battery

This is a rechargeable lithium-ion battery for cameras and camcorders. It provides extended power and reliable performance for professional use.

Overview

High-Performance Camcorder Power

This rechargeable lithium-ion battery pack is engineered to provide reliable, extended power for professional camcorder use. Designed as a high-capacity replacement, it ensures your equipment stays operational during prolonged shooting sessions. With built-in safety features including overcharge and overheat protection, this battery offers both durability and peace of mind for demanding field environments.

Technical Specifications

Voltage	7.2 V
Capacity	2800 mAh
Battery Chemistry	Lithium-Ion

Physical Dimensions

Dimensions

57 mm

Length

38 mm

Width

36.5 mm

Height

Compatibility

Compatible Camera Models

- DV3U
- DV5U
- DV808
- DVL9200
- DVL9600
- DVL9700
- DVM5
- DVM828
- GR-DV3
- GR-DV3U
- GR-DV5U
- GR-DVL300
- GR-DVL9500U
- GR-DVL9800
- GR-DVM5
- GR-DVM5U
- GV-HT1U

Features

Safety Protections

Overcharge Protection, Overheat Protection
