

Cat7 Shielded Twisted Pair LAN Cable

This Cat7 LAN cable is designed for indoor installations requiring long transmission distances and minimal signal loss. It supports bandwidths up to 600 MHz and data transfer rates of up to 10 Gbps.

Product Overview

High-Performance Cat7 Networking Solution

This Cat7 Shielded Twisted Pair LAN cable is engineered for high-speed data environments, supporting bandwidths up to 600MHz and 10Gbps transmission rates. Designed primarily for indoor installations, it features robust double shielding (S/FTP) to minimize interference and signal loss over long distances. The cable is ideal for demanding applications including 5G networks, data centers, and integrated smart building wiring systems.

Technical Performance

Key Performance Metrics

600 MHz

Frequency Bandwidth

10 Gbps

Data Transfer Rate

305 m

Standard Length

Conductor Specifications

Feature	Specification
Wire Gauge	23AWG
Conductor Material	Oxygen-free Bare Copper (BC)
Conductor Size	4*2*0.57mm (0.58mm)
Insulation Material	PE / HDPE
Shielding Type	SFTP (Shielded Foiled Twisted Pair)
Number of Pairs	4 Pairs

Physical Characteristics

Jacket & Durability

Property	Details
Outer Sheath Material	PVC / LSZH PVC
Sheath Thickness	0.6mm
Operating Temperature	-20°C to +70°C
Conductor Elongation	>30%
Capacitance (Max)	5.4nF/100m

Compliance & Testing

Certifications & Standards

ISO9001, ISO14001, ISO18001, CE, RoHS, Fluke Tested

Application & Services

装柜展示 | Cabinet display

Efficient global logistics and container loading for bulk international orders.

Recommended Applications

- 5G Network Infrastructure
- Intelligent Building Systems
- Smart Home Integrated Wiring
- Data Centers
- Voice, Image, and Video Transmission

Business Services

- OEM Service Available
- Customizable Jacket Color
- Customizable Cable Printing
- Free Samples Available for Testing

Packaging

包装展示 | Packaging

We offer multiple professional packaging solutions including easy-pull boxes, reels, and wooden drums.

Available Packaging Options

Easy-pull Box • Carton • Plastic Reel • Paper Reel • Wooden Drum • Roll
