

CD Label Design with Yellow Calla Lilies

This CD label features a visually appealing design with yellow calla lilies. The design incorporates a minimalist aesthetic with elegant typography, suitable for music or data storage.

Product Overview

Elegant Floral CD Label Design

This professional CD label design features a sophisticated aesthetic centered around yellow calla lilies set against a soft green gradient background. The minimalist layout ensures readability while providing a high-end visual appeal suitable for premium music albums or data storage projects. It is optimized for standard CD dimensions, incorporating essential branding elements like 'COMPACT disc' and 'DIGITAL AUDIO' for industry compliance.
