

Ceramic Plate Hair Straightener with Adjustable Heat

This professional hair straightener is equipped with ceramic plates for smooth and even heat distribution. It features adjustable temperature settings, a swivel cord, and a sleek, ergonomic handle.

Product Overview

Versatile Styling Solution

This 2-in-1 hair straightener and curler is designed for professional-grade styling and versatility. Featuring advanced ceramic and tourmaline plates, it ensures smooth, even heat distribution to protect hair while creating sleek straight styles or defined curls. With a fast-heating PTC element and adjustable temperature settings, it offers precise control for various hair types.
