

Check and Quick Release Valve Assortment

This assortment includes both single check valves and quick release valves. The valves are available in varying port sizes and thread types.

Product Overview

Professional Valve Assortment

This comprehensive assortment features high-quality single check valves and quick release valves designed for reliable pneumatic system control. The collection includes a wide variety of port sizes and thread types, including NPT and metric M16/M22 configurations, to ensure broad compatibility with diverse automotive and industrial applications. Each unit is engineered for precision performance, providing essential flow regulation and safety functionality for heavy-duty air brake and pneumatic systems.

Supported Thread Types

NPT, M16x1.5, M22x1.5

Single Check Valves

Available Models

Model	Ref No.	Port Configuration
HL65003	H44510-1090	NPT3/8
HL65004	H44510-1190	NPT3/8
HL65005	H434 014 000 0	M22x1.5
HL65006	HKN23010	NPT3/8

Quick Release Valves

Technical Specifications

Model	Ref No.	Supply Port	Delivery Port	Exhaust Port
HL66001	H229813	NPT3/8	2-NPT1/4	-
HL66001A	H229844	NPT1/2	2-NPT1/4	-
HL66001B	H229859	NPT3/8	2-NPT3/8	-
HL66001C	H229860	NPT1/2	2-NPT3/8	-
HL66003	H45151-90004	NPT1/2	2-NPT3/8	-
HL66002	H973 500 0000	M22x1.5	2-M22x1.5	M22x1.5
HL66002A	H973 500 0060	M16x1.5	2-M16x1.5	M16x1.5
HL66002B	H973 500 003 0	NPT3/8	2-NPT3/8	NPT3/8
HL66002C	H973 500 0140	NPT1/2	2-NPT3/8	NPT3/8
