

Children's Bicycle with Fenders

This children's bicycle features a sturdy frame and knobby tires for enhanced grip. It is equipped with front and rear fenders and a chain guard for safety.

Overview

Designed for Young Riders

This 20-inch mountain bike is engineered for durability and safety, making it an excellent choice for young cyclists. Featuring a sturdy steel frame and fork, it provides a stable ride on various terrains. The inclusion of front and rear fenders ensures protection against mud and splashes, while the V-brake system offers reliable stopping power.
