

Children's Pink and White Bicycle with Training Wheels

This children's bicycle features a sturdy frame and training wheels. It is designed to help young riders learn to balance and pedal.

Product Overview

Designed for Young Riders

This children's bicycle is engineered with a durable steel frame to provide a safe and stable riding experience for beginners. Featuring a classic pink and white aesthetic, it includes essential safety components like training wheels and a reliable rear coaster brake. The design focuses on ease of use and longevity, making it an ideal choice for children learning to ride.
