

Children's Tricycle with Sunshade and Character Detail

This tricycle is designed for young children learning to ride. It features a sunshade canopy, a character head at the front, and a rear storage compartment.

Product Overview

Designed for Young Riders

This children's tricycle is designed to support toddlers as they learn to pedal and navigate. It features a bright, child-friendly aesthetic with engaging character accents. Built for safety and convenience, it includes a sunshade for outdoor protection and a parental push handle for guided assistance.
