

# Chrome Plated Brass Angle Valve

This angle valve is constructed from brass and features a chrome finish. It allows for the precise control of water flow in plumbing systems.

## Product Overview

### Professional Grade Angle Valve

This high-quality chrome-plated brass angle valve is engineered for reliable water flow control in both residential and commercial plumbing systems. Featuring a durable brass body with a polished chrome finish, it offers excellent corrosion resistance and long-lasting performance. The valve is designed to withstand pressures up to 10 bar, ensuring safety and efficiency in standard water applications.

## Technical Specifications

### Max Pressure

**10 bar**

Max Pressure

Materials	Brass Body, Chrome Plated, Polished Finish, Zinc Handle
Temperature Rating	-10 °C
Thread Standard	ISO-228-1:2000
Suitable Medium	Water

## Dimensions

### Available Sizes
