

Compact DC 12V Vacuum Cleaner

This compact vacuum cleaner is designed for handheld use. It features a DC 12V power supply, 80W power consumption, and a 0.4L dust cabin.

Product Overview

Compact DC 12V Vacuum Cleaner

This compact DC 12V vacuum cleaner is designed for efficient cleaning in mobile or small-scale environments. With a power consumption of 80W and a reliable 3.1 KPa vacuum strength, it balances portability with effective suction performance. The 0.4L dust cabin and 1.8m cord make it a practical solution for quick maintenance tasks.
