

Compact Household Vacuum Cleaner

This vacuum cleaner is a compact appliance designed for efficient household cleaning. It features a flexible hose, durable construction, and reliable suction power for effective dirt and debris removal.

Product Overview

Compact and Efficient Cleaning Solution

This household vacuum cleaner combines a space-saving design with powerful performance to meet daily cleaning requirements. Equipped with a multi-stage filtration system and a transparent dust container, it ensures efficient debris collection and easy maintenance. The unit is lightweight and portable, featuring user-friendly additions like automatic cord rewinding and a full-filter indicator.
