Product Overview

Compact & Versatile Cooking Solution

This multi-function rice cooker is designed for small households or individual use, offering a perfect blend of convenience and performance. With a 2.0L capacity and a healthy ceramic liner, it ensures even cooking for various meals including rice, porridge, soup, noodles, and even cakes. The compact design, complete with an easy-to-carry handle and detachable inner cover, makes it an ideal appliance for small kitchens, dorms, or travel.
