

Compact Twin Tub Washing Machine

This compact twin tub washing machine is designed for small spaces and light laundry loads. Featuring separate wash and spin tubs, it reduces overall laundry time by enabling simultaneous washing and spinning.

Product Overview

Compact Laundry Solution

The WS60-588 is a compact and efficient twin tub washing machine engineered for convenience in small living spaces. Its dual-tub design allows for simultaneous washing and spinning, significantly reducing total laundry time for light loads. With a durable, rust-resistant plastic construction and lightweight build, this unit is perfectly suited for apartments, dormitories, and camping applications.
