

Cordless Steam Iron with Charging Base

The cordless steam iron provides freedom of movement and convenience for effortless ironing. Its detachable iron heats up quickly on the charging base and features adjustable steam settings and a non-stick soleplate.

Product Overview

Cordless Convenience for Professional Results

This cordless steam iron offers unparalleled freedom of movement, making ironing tasks faster and more efficient. Designed for both quick touch-ups and larger volumes, it features a detachable iron that heats rapidly on its dedicated charging base. The combination of adjustable steam settings and a high-quality non-stick soleplate ensures smooth gliding across various fabrics, providing a professional finish every time.
