

Countertop Microwave Oven with Timer

This compact microwave oven is designed for countertop use. It features a timer with adjustable settings for various cooking functions.

Product Overview

Compact Countertop Oven

This compact countertop oven is designed for efficient, small-scale food preparation, making it an ideal solution for tight spaces. With a 6-liter capacity and a powerful 650W heating element, it handles tasks like toasting, grilling, and reheating with ease. The user-friendly 15-minute timer and simple controls ensure precise cooking results for snacks and meals alike.
