

# Curved Pruning Saw with Sheath

This curved pruning saw features a fine-toothed blade for efficient cutting. It includes a plastic sheath for safe storage and an ergonomically designed handle for comfortable use.

## Product Overview

### Professional Curved Pruning Saw

This high-performance curved pruning saw is engineered for precision and efficiency in professional landscaping and tree maintenance. Featuring an ergonomic handle and a finely-toothed silver blade, it allows for smooth, clean cuts on branches and limbs. The inclusion of a ventilated protective sheath ensures safe transport and storage while maintaining tool longevity.

## Technical Details

Blade Design	Curved, Fine-toothed, Silver finish
Handle Ergonomics	Ergonomic yellow and black grip for comfort during extended use

## Storage and Safety

### Protective Sheath

- Durable black plastic construction
- Integrated ventilation holes
- Drainage design for debris removal

## Applications

### Target Use Cases

Gardening • Landscaping • Tree trimming
