

Custom-Fit Waterproof Car Floor Liner Set

This set of custom-fit floor liners is designed to protect vehicle interiors. The durable, waterproof material and raised edges provide excellent defense against water, mud, and debris.

Product Overview

Custom-Fit Vehicle Protection

These custom-fit floor liners offer comprehensive interior protection for your vehicle, covering both front and rear footwells. Engineered with tall outer ridges, they effectively contain liquids, mud, and debris to keep your carpets pristine. The heavy-duty nibbed backing ensures the mats remain securely in place, providing a safe and reliable solution for maintaining your vehicle's interior value.
