

Cut-Off Machine Stator

This is a replacement stator for cut-off machines. It is a crucial component that ensures the efficient operation of the machine.

FOR LG TCH-355HB

型材切割机
Cut-off Machine

Product Overview

High-Quality Stator Replacement

This high-quality stator is designed specifically as a reliable replacement part for TCH-355HB cut-off machines. Engineered to ensure optimal performance and durability, this component is essential for maintaining the efficient operation of your cutting equipment. It serves as a critical electrical core for power tools, helping to restore machine functionality and extend service life.

Compatibility

Compatible Models	TCH-355HB
Application	Cut-off machine / Profile cutting machine
