Product Overview

Professional Refrigerated Display

This cylindrical refrigerated cake display showcase is designed to elevate the presentation of cakes, pastries, and chilled food items in commercial settings like bakeries, cafes, and restaurants. Featuring 360-degree visibility through double tempered glass and brilliant internal LED lighting, it ensures your products are always displayed in the best possible light. The unit includes a ventilated cooling system and precise digital temperature control, maintaining a consistent environment between 2°C and 8°C.
