

Dashboard Cleaning and Protectant Wax

This wax cleans and protects vehicle dashboards. It provides a fresh scent and all-around protection.

Product Overview

Professional Dashboard Care

This dashboard cleaning and protectant wax is formulated with a silicon-oxygen polymer to effectively prevent the aging of dashboards and leather surfaces. It creates a durable, shining protection film that restores a fresh-looking appearance to vehicle interiors. Designed for all-around protection, it also provides a pleasant organic fragrance during application.
