

Decorative Ceiling Fan with Integrated Lighting

This decorative ceiling fan provides ventilation and illumination. It features wooden-style blades, a golden motor housing, and frosted glass lampshades.

Product Overview

Elegant Comfort and Illumination

This decorative ceiling fan seamlessly blends functional ventilation with sophisticated ambient lighting. Featuring a striking golden motor housing and wood-style blades with unique edge patterning, it serves as a stylish centerpiece for any indoor space. The integrated three-lamp design provides soft, diffused illumination, making it an ideal dual-purpose fixture for living areas and bedrooms.
