

Diagonal Cutting Pliers with Insulated Handles

These diagonal cutting pliers are designed for precision cutting tasks. Hardened steel blades ensure durability, while insulated handles promote safe operation.

Product Overview

Professional Diagonal Cutting Pliers

These diagonal cutting pliers are engineered for precision tasks, featuring hardened steel blades that ensure long-lasting durability and sharp, clean cuts. Designed with safety in mind, the handles are fully insulated, making them an essential tool for electrical work. Their versatile design also makes them suitable for jewelry making and other fine cutting applications.
