Product Overview

Professional Cutting Performance

These diamond saw blades are engineered with advanced technology to ensure long-lasting performance and exceptional cutting precision. Designed for versatility, they are suitable for a wide range of materials including reinforced concrete, granite, and natural stone. Built to strict quality control standards, these blades offer the reliability required by construction professionals.

Application & Materials

Compatible Materials

Reinforced Concrete, Clinker, Granite, Roof Tiles, Natural Stone, Artificial Stone, Construction Materials

Technical Specifications

Diameter & RPM Performance

| Diameter (mm) | Max RPM |
|---------------|---------|
| 105 | 14550 |
| 115 | 13280 |
| 125 | 12220 |
| 180 | 8480 |
| 205 | 7450 |
| 230 | 6640 |
| 300 | 5090 |
| 350 | 4360 |
| 450 | 3390 |
