Product Overview

Advanced Evaporative Humidification

The HCX-H609T is a high-capacity evaporative humidifier designed to create a healthy and comfortable indoor environment for homes and offices. Featuring a 6L top-fill water tank and a wick filter system, it efficiently maintains optimal humidity levels across spaces up to 30 square meters. Its modern digital interface includes smart controls like a child lock, timer, and optional UV sanitization for enhanced air safety.

Performance Metrics

Key Performance Indicators

6 L

Water Capacity

250 ml/h

Mist Output

30 m²

Max Coverage

Technical Specifications

Input Voltage	110V / 240V (50~60Hz)
Rated Power	18 W
Product Dimensions	256 x 256 x 530mm
Housing Material	ABS Plastic

Smart Features

Optional Upgrades

UV Degerming • WiFi Connectivity

Standard Functions

Humidity Control, Fogmeter, Child Lock, Timer, Auto Shut-off

Design & Maintenance

Key Design Elements

- Top-fill water inlet for easy refilling
- Wick filter humidification system
- Water level window for easy monitoring
- Water shortage protection mechanism
- Overfall gap to prevent spills
- Quiet AC fan circulation
