

Double Bag Laundry Sorter with Steel Frame

This laundry sorter features a durable chrome-plated steel frame and a double-bag design for sorting. The bags are made of a washable canvas material and are easily removable for cleaning.

Product Overview

Efficient Laundry Organization

This double-bag laundry sorter is designed for efficient laundry management in various environments. Featuring a durable chrome-plated steel frame and a convenient double-bag design, it allows for easy sorting of garments. The foldable X-frame construction ensures simple transport and space-saving storage when not in use.
