

Drive Shaft CV Axle for HYUNDAI

This drive shaft CV axle is engineered for optimal performance and durability. It is a direct replacement for the original equipment, ensuring easy installation and a perfect fit.

Product Overview

High-Performance CV Axle for Hyundai

This outer CV joint is engineered specifically for Hyundai Accent Era models to ensure smooth power transfer and reliable operation. It features precision-machined components and robust joints designed to withstand harsh driving conditions. As a direct replacement for original equipment, it offers a perfect fit and easy installation for vehicle maintenance and safety.

Technical Specifications

OE Number
49501-25955

Component Type

Outer CV Joint

Compatibility

Vehicle Fitment

- Hyundai Accent Era 1.4 (2006-)
- Hyundai Accent Era 1.6 (2006-)

Placement

Drive Shaft Right (R)
