

Electric Air Blower

This electric air blower is a robust and efficient industrial tool designed for applications requiring high-volume air movement. Its durable construction ensures longevity and reliability in demanding environments.

Overview

Industrial Air Movement Solution

This electric blower is a robust and efficient industrial tool designed for high-volume air movement in demanding environments. Featuring a precision-engineered impeller and housing, it maximizes airflow while minimizing noise levels. The unit is designed for easy installation and maintenance, making it suitable for ventilation, drying, and pneumatic conveying systems.

Performance Specifications

Model Performance Data

Model	Power	Wind Pressure	Air Volume
BK-EB2	150W	200Pa	4.5M³/min
BK-EB2.5	250W	230Pa	6.5M³/min
BK-EB3	350W	270Pa	9M³/min
BK-EB4	550W	310Pa	11M³/min
BK-EB5	750W	350Pa	13M³/min

Logistics & Packaging

Shipping & Handling Details

Model	N.W/G.W	Qty/20' Container
BK-EB2	7/9kgs	2300pcs
BK-EB2.5	11/13kgs	1300pcs
BK-EB3	4.2/5.2kgs	1050pcs
BK-EB4	7/9kgs	520pcs
BK-EB5	10/12kgs	330pcs

Applications

Suitable Applications

Ventilation, Drying, Pneumatic Conveying
