Overview

Versatile Professional Grinding Solution

This professional-grade angle grinder is engineered for demanding tasks, including cutting, grinding, and polishing a wide variety of materials. Its powerful motor ensures efficient material removal, while the robust construction guarantees long-lasting performance in professional settings. Designed with ergonomics in mind, the comfortable grip enhances user control and minimizes fatigue during extended operation.

Technical Specifications

Safety Features

- Spindle lock for secure disc changes
- Protective guard against debris

Primary Functions

Cutting, Grinding, Polishing

Design & Ergonomics

Design Highlights

Ergonomic Grip • Ventilated Motor Head • Heavy-duty Construction
