

Electric Citrus Fruit Juicer with Non-Drip Spout

This electric citrus juicer efficiently extracts juice from various citrus fruits. It features a non-drip valve and a residue separator for clean and convenient operation.

ADDITIONAL IMAGES

Overview

The KD330 features a unique orange-inspired design with a functional non-drip spout.

Efficient & Stylish Citrus Juicing

The KD330 Electric Citrus Juicer features a unique, eye-catching orange-shaped design that combines playful aesthetics with professional functionality. Equipped with a copper motor and double reamers of different sizes, it efficiently extracts juice from various citrus fruits like oranges and grapefruits. The integrated residue separator and non-drip spout ensure a clean, seed-free juicing experience directly into your glass.
