

Electric Drip Coffee Maker with Glass Carafe

This electric drip coffee maker quickly brews fresh coffee. It features a top-loading water reservoir and a swing-out filter basket for easy filling and cleaning, plus a glass carafe.

Product Overview

Efficient Brewing for Any Setting

This electric drip coffee maker is designed to deliver consistent, fresh coffee with ease. Featuring a generous 12-cup capacity and a transparent 1.5L glass carafe, it is perfectly suited for offices, breakrooms, or home kitchens. With convenient features like a pause-and-serve function, a permanent filter, and a keep-warm hot plate, it ensures a seamless brewing experience from start to finish.
