

Electric Non-Stick Wok with Glass Lid

This electric wok features a non-stick interior for easy cooking and cleaning. It includes a tempered glass lid and adjustable temperature control.

Product Overview

Versatile Electric Wok

This electric wok is designed for efficient and versatile cooking, featuring a durable non-stick interior that simplifies both food preparation and cleanup. Equipped with a tempered glass lid, it allows users to monitor cooking progress while effectively retaining heat and moisture. The adjustable temperature control provides the precision needed for various culinary techniques, including stir-frying and steaming, making it a reliable addition to any professional or home kitchen.
