

# Electric Pedestal Fan

This electric fan is designed with an adjustable stand and a circular fan head enclosed in a wire cage. It provides multiple speed settings controlled by buttons on the central column and has a four-legged base for stability.

## Product Overview

### Professional Air Circulation

This electric pedestal fan is designed for efficient air circulation in indoor environments. Featuring a robust wire cage for safety and a stable four-legged base, it ensures reliable performance and durability. With adjustable height and multiple speed settings, users can easily customize airflow to suit specific cooling needs.

## Design & Build

Base Style	Four-legged base
Adjustable Height	Yes
Safety Features	Wire safety cage

## Performance

Intended Use	Indoor
Control Method	Button control on central column
