Product Overview

Professional Drilling Performance

The J1Z-FR-200 Electric Drill is a robust and efficient tool engineered for demanding drilling tasks. With a powerful 500W motor and a versatile 110/220V power compatibility, it is designed to handle consistent workloads in professional environments. Its high-speed operation and large drilling capacity make it a reliable choice for precision engineering and construction applications.

Technical Specifications

Rated Input Power

500 W

Rated Input Power

Max Drilling Diameter

200 mm

No-Load Speed

2800 r/min

Electrical Requirements

Rated Voltage

110/220V

Rated Frequency

60/50Hz
