Product Overview

High-Performance Hedge Trimmer

This electric hedge trimmer is designed for efficient maintenance of hedges and shrubs, offering reliable performance without the need for fuel or batteries. It features a dual-action hardened steel blade system that reduces vibration for cleaner, more precise cuts. With a lightweight and ergonomic design, including a rotating handle, it ensures comfortable operation and reduced fatigue during extended trimming sessions.

Technical Specifications

Rated Voltage	230 V
Rated Frequency	50 Hz
Rated Input Power	500W / 600W
Cutting Speed	3300 r/min

Cutting Performance

Cutting Capabilities

16 mm

Max Cutting Diameter

Blade Length Options	16 inch, 20 inch
