

# Electric Space Heater with Safety Grill

This electric space heater provides focused warmth in a compact design. It features a red finish, safety grill, and dual on/off switches for user control.

## Overview

### Efficient Heating Performance

This portable electric space heater features a cool-touch plastic housing and a convenient carry handle, making it easy to move between rooms. It utilizes three heating elements with adjustable power settings of 400W, 800W, and 1200W for efficient, energy-saving performance. Designed with safety in mind, the unit includes a protective grill and an automatic tip-over switch to ensure secure operation.
