

Electric Step-Through City Bicycle

This electric bicycle is designed for urban commuting. It features a step-through frame, front basket, rear rack, and padded seat.

Overview

Urban Commuter Electric Bicycle

Designed for efficient and comfortable city travel, this electric step-through bicycle offers a practical solution for daily commuting. Its accessible frame design allows for easy mounting and dismounting, while the integrated front basket and rear cargo rack provide ample storage for groceries or work essentials. With a reliable chain drive system and essential accessories like fenders and a kickstand, it is a fully equipped vehicle ready for urban environments.
