

Electric Weed Burner Wand

This electric wand eliminates weeds and unwanted grass without chemicals. It uses a high-temperature heating element to incinerate weeds down to their roots.

Product Overview

Efficient Weed Control

This electric weed burner wand offers a chemical-free solution for eliminating unwanted weeds and grass on driveways, patios, and garden paths. Designed with an ergonomic handle and telescopic extension, it ensures comfortable operation and extended reach for various landscaping tasks. The high-temperature heating element provides instant action, targeting weeds down to the root for effective results.

Technical Specifications

Rated Voltage	230V
Frequency	50 Hz
Rated Power	2000 W

Performance Metrics

Temperature and Airflow Settings

50 °C Gear I Temp	600 °C Gear II Temp	500 L/min Max Airflow
-----------------------------	-------------------------------	---------------------------------

Operating Modes

Setting	Temperature	Airflow
Gear I	50 °C	500 L/min (Cooling)
Gear II	600 °C	500 L/min

Features

Key Features	Chemical-free, Ergonomic handle, Telescopic extension, Safety guard, Precise nozzle
