

Emergency Roadside Assistance Kit with Jumper Cables, Tow Rope, and Safety Tools

This comprehensive emergency car kit contains essential tools and equipment for roadside assistance. The kit includes jumper cables, a tow rope, flashlight, reflective safety triangle, snow shovel, ice scraper, work gloves, a wrench, and batteries, all organized in a durable carrying bag.

Product Overview

Comprehensive Emergency Readiness

This emergency roadside assistance kit is designed to provide essential support during unexpected vehicle breakdowns and winter weather conditions. Featuring a robust selection of tools including jumper cables, a tow rope, and safety equipment, it ensures drivers are prepared for common roadside challenges. All components are neatly organized in a durable carrying bag, making it a reliable and portable solution for fleet vehicles or individual drivers.
