Product Overview

Professional Engine Gasket Solution

This engine gasket is precision-engineered to provide a secure and leak-proof seal between critical engine components. Constructed from high-quality, durable materials, it is designed to withstand extreme temperatures and pressures, ensuring optimal engine performance and longevity. It is built to meet or exceed OEM specifications, making it an ideal choice for automotive engine repair, maintenance, and complete rebuild projects.

Technical Details

Included Components

- Cylinder head gasket
- Valve cover gasket
- Intake manifold gasket
- Exhaust manifold gasket
- Oil seals

Part Identifiers

Identifier	Value
Model	STAR, SL75
Part Number	13440726
Batch/Ref	277

Application	Automotive Engines
Key Features	Leak-proof, High-temperature resistant, High-pressure resistant, OEM specification compliant
