

Engine Spare Parts for S35MC-C7/C8/C9 Diesel Engines

Spare parts are available for S35MC-C7/C8/C9 series diesel engines. Parts include cylinder covers, pistons, connecting rods, camshafts, and fuel pumps.

Product Overview

Precision Engine Components

These engine spare parts are specifically engineered for S35MC-C7, C8, and C9 series marine diesel engines. The set includes critical components such as the cylinder liner and exhaust valve, both essential for maintaining the combustion chamber's integrity and engine efficiency. Each part is manufactured to meet or exceed original equipment specifications, ensuring reliable performance and durability in demanding marine environments.

Compatibility

Compatible Engine Series

S35MC-C7, S35MC-C8, S35MC-C9

Key Components

Included Components

- Cylinder Liner
- Exhaust Valve

Component Functions

Component	Primary Function
Cylinder Liner	Provides a wear-resistant surface for piston movement
Exhaust Valve	Controls exhaust gas release for efficient operation

Quality Standards

Quality Assurance

OEM Specification Compliant • High Durability
